2018 JUNIOR ROD & JUNIOR ROOKIE BUTLIN'S CHALLENGE

How it works:

For every meeting you attend and race you will receive 5 attendance points.

You will receive the normal points that are gained for each race:

Heat 1: 8,7,6,5,4,3,2,1
 Heat 2: 8,7,6,5,4,3,2,1
 Final: 16,14,12,10,8,6,4,2
 Extra race: 6,5,4,3,2,1

Any white or yellow graded driver who gains race points will have them doubled, this will remain the case until the driver is awarded a blue or red roof or gains a title eg southern champ ect.

These points will be tallied and kept separate to your yearly points championship chart and will be published in the week after the meeting.

On the final meeting of the season the first race for both junior rods and junior rookies will be the conclusion of the Butlin's challenge, the highest point scorer will start in pole position and the rest of the places will be in points order behind the pole sitter, the winner will be the person to win the race.
